Dear Sirs,

We acknowledge receipt of your order number CL15189. We are pleased to inform you that we are taking immediate action to prepare the goods for dispatch, and await your instructions for delivery.

The following details concern our procedure for delivery and payment:

Firstly, we require the payment of 30% of the total amount by bank transfer to our bank account. The remaining 70% of the amount should be paid within 30 days of the goods being delivered. For German customers, our usual procedure is to quote CIF at the port of Hamburg. The delivery time for shipping to Germany is thirty days.

Should you require a more rapid delivery, we can also transport the goods by road directly to your warehouse. In this case, the delivery time is reduced to seven days as from receipt of the first payment. Should you decide to choose this means of transport, we require you to give us exact details of the destination address. We await your instructions as regards the most convenient means of delivery.
